

## **June Schedule – TURNS, LEAPS and JUMPS:**

The improvement of the MDA team is outstanding this season. With all students required to take ballet and technique to their dance curriculum, our dance performances and technique scores have improved dramatically. MDA will be offering four-week classes in ballet, tap, technique (turns/leaps/jumps), stretch/conditioning. We will place the dancers by level of ability. If you would prefer private lesson please note on form. The cost of private lesson for technique is \$80.00 per hour. Dance times and days will be given after each dancer is placed in their level. We have decided to discount the rate for those dancers that take more than one hour. This discount can be applied to any combination of the classes for the dancer. (Example: 3 hours of ballet or one hour of each type etc.) Dates for Tuesday lessons are June 4<sup>th</sup>, 11<sup>th</sup>, 18<sup>th</sup>, & 25<sup>th</sup>. Wednesday lessons June 5<sup>th</sup>, 12<sup>th</sup>, 19<sup>th</sup>, & 26<sup>th</sup>. Thursday lessons June 6<sup>th</sup>, 13<sup>th</sup>, 20<sup>th</sup>, & 27<sup>th</sup>. If you are unable to make a session, please e-mail the studio and we will respond with a make-up opportunity that fits your level.
